I am glad to have you on board and I and my entire team is honoured to have you with us.

‘Every child is a seed which has the potential to grow if nourished under the right guidance’ And as an institution we are willing to render one, By providing theoretical as well as digital learning, strategies to solve objectives and time management.

Our focus is to build cognizance among students regarding their own potential and make them aware of their skills so that they perform the best in competitive exams with confidence. We realise that for the growth of a child, it is Paramount to give them the best and positive environment conducive to learning and encourage children to achieve their goals through strong foundation of knowledge and evolving them emotionally and intellectually. In addition to this we have come up with motivational session primarily focused on addressing and resolving underlying emotional issues suffered by children due to stress of examinations. Through this we are not only ensuring maximum success in the competitive exam but preparing the child to face future with a strong and positive mental attitude.

Our determination is to prepare future human capital of the country who will prove instrumental in taking our county to great heights and contribute to nation’s progress by leaps and bounds.

To serve the growing need for quality education and upkeep with today’s methodology of teaching, we have assembled a pool of professionals, each equally talented and renowned in their fields to take students on a road to achievement. Our faculty is a set of open minded experts who believe in honest and open interaction with the parents to learn the exact need of student and guide accordingly. It will be highly appreciated if you come up with recommendations for the betterment of our institute and have sincere discussion with us to serve you better.

I hope that our institute becomes the water for your saplings who are willing to be trees and it is my guarantee that we will be there each day till they become perfect fruit bearing trees. I look forward to work together and satisfy you with wonderful experience that you are looking for in the field of education.
My heartiest welcome goes to you. I on behalf of my entire team are delighted to have you with us on a journey so remarkable which will be transformative for you as parents and for us as mentors. It is our pride that you chose to be associated with us and we assure you of a positive transition in your child.

Our institute has been formed with a purpose to deliver superior quality preparation for the most challenging yet rewarding competitive exams of our country. In order to train the students to face the competitive exams in today’s cut throat competition, we are also concerned with equipping them emotionally and mentally so that the they are ready to take on challenges with grit and determination. Our advanced learning system is based on the new curriculum and is totally high tech to make it easy for students to participate in learning process. We have come up with such positive reforms to provide education that it will be easily accessible for students and prove to be convenient in their whole journey of preparation. We are bound to serve you in a way to ensure utmost success through continuous cooperation and participative learning.

Being an Educational institution, we do realise that we are preparing future generations of our country who will in coming years shoulder the responsibilities of making India a prosperous and developed nation. We are sure that students mentored by our approach will bring pride to our nation and go on to become successful engineers and doctors who will contribute immensely in research and development in their respective fields.

We bring to you a team having rich experience in the field of medicine and engineering who will take care of every students needs with patience and perseverance.

In an effort to know the requirements of every child, we strongly support the involvement of and coordination with parents. We believe in open communication and discussion and welcome any suggestion and feedback to evolve ourselves in more advanced ways to serve you the best as per your needs.

I wish to have conducive and long lasting relationship with you all. I hope you have a wonderful experience and allow us to be stepping stone for the better future of your child.
Kaushalya Academy, with a modern outlook and an inclination to the contemporary methodology of teaching, has embarked on a journey with a belief of empowering its students with holistic knowledge. We take pride in the fact that we are from Chhattisgarh and understand the essence of quality professional education here.

Ask us about the talent in the state and we will be quick to pounce on the actuality that there has never been a dearth of it. Since many years, Chhattisgarh has been a witness to brain-drain as most of the aspiring engineering and medical aspirant’s look for a quality coaching center out of the state. We don’t blame them for this though. With competition piling up, they have to find a place where their skills are nurtured and given genuine assistance and encouragement. In comes Kaushalya academy where our endeavour is to provide one stop solution for an all inclusive preparation of competitive exam for medical and engineering aspirants of Chhattisgarh. Now our students need not flock to other states in a desire to seek quality Coaching. Our institute is constituted with an intention to answer all your need of premium education instilled with integrity where teaching is not a mere profession but an approach that solidifies a student’s future.
PIONEERING SUCCESS WITH

01 Class Room Learning
Personalized approach under expert faculties guidance. Interactive sessions with one to one communication between Experts and Students to enhance student's caliber.

02 Career Counseling
Assuring to resolve problems related to competitive exams and career-related queries. Special assistance to shape student's careers with their interest and choice of colleges.

03 Daily Practice Problem
Daily new problem for practice for consistently building concepts to achieve competency with proficiency.

04 Regular Test Series
Weekly/Monthly Mock test series designed specially to develop analytical skills to excel in IIT-JEE MAINS & ADVANCE/NEET/AIIMS.

05 Study Material
Substantially designed courses by expert faculties of Kaushalya Academy to cultivate advanced skills in students for prominent exams like IIT-JEE MAINS & ADVANCE/NEET/AIIMS.

06 Revision & Doubt Classes
Kaushalya Academy's philosophy is to avail special batches for doubt clearing and revision sessions to build a strong foundation.
Join KAUSHALYA ACADEMY
To Get Sure Success

- Learn from experienced and trained faculty
- Quick learning platforms with smart infrastructure
- Specially designed courses for competitive exams
- Continuous monitoring, feedback and evaluation
- Career Counseling by professional counselors
- Pressure free and positive environment

Vision

Kaushalya Academy is driven to provide unparalleled and unique teaching experience suiting the evolving needs of educational system with a focus on comprehensive development of students.

Mission

Our mission is to embark an advanced approach of providing quality education and creating a safe and secure learning environment for students. Our pursuit is to provide wisdom and guidance to students to excel in their academic aspirations. It is our assurance that we will strengthen intellectual abilities of students and prepare them to face future with confidence.

Our values

- Determination for excellence
- Resolution to provide finest learning benchmark.
- We embrace diversity and inclusion
- We depict integrity, honesty and ethics
- We teach as well as nurture
- We focus on teamwork and interactive learning
- We cultivate passion
- We ensure maximum efficiency of students and staff.
We are a firm believer of the Internet of Things (IoT) as well as digitization and our concept of smart classrooms will enhance student’s learning process. The idea behind it is to not let the students or faculties be concerned about the elements that constitute a congenial place to study. Not only that, with a secured CCTV equipped campus in place, safety has been given the topmost priority for the students coming in.

**Smart Infrastructure**

With an effective performance monitoring systems in place, not only the faculties but parents too can analyze the growth of the students and take constructive measures in order to correct the students in learning phase.

**Continuous Monitoring**

Flawless molding of a student’s acumen as per the course’s requirement holds the key to success and with faculties as trained and qualified as ours, one can expect just that. No stone is left unturned in making sure that the students are given the right exposure and platform to attain the exact knowledge.

**Exposure And Knowledge Go Hand-in-glove**

When knowledge gets imparted by the people who practice it in their routine, education sees a different light of the day. In our case, we boast of having faculties who are qualified doctors from reputed institutes like AIIMS and successful engineers passed out from IIT’s and NIT’s. As a matter of fact, not only they share the requisite knowledge but also are a standing example of where dedication and focus can take a student.

**Faculties With A Proven Track Record**

When we talk of entrance examinations of specialized fields, the entire course and the process is perceived to be taxing. It is important and imperative that adequate attention is paid to the mental health of students. Special sessions for this aspect are conducted round the year by experts who take into account how students are faring psychologically as the examinations approach.

**Mental Well-being Matters**
Kaushalya Academy has systematically worked out the best preparatory courses for medical entrance examinations.

Kaushalya Academy is equipped with a team of engineers learned from IIT’s and NIT’s who are also immensely experienced in teaching.

This course carefully sets the students in a strong root path in early stage. It is specially designed for class 9th and 10th class students to give a strong foundation in their concept building stage.

The spacious and digitally equipped classrooms provide the most conducive atmosphere for dynamic and focused discussion.

Kaushalya Academy has established well stocked and customized library for the students to enable references of best course book and develop their reading ability for effectual learning.

There is a medical room in the institute which provides first aid facility to the students. An Allopathic doctor is also available for further medical consultation.
At Kaushalya Academy, we offer methodical coaching and a healthy competitive atmosphere to the pre-medical aspirants through our excellent curriculum and adequate infrastructural facilities. Our team of highly qualified and competent faculties gives quality education to the aspirants lending them a leading edge in the preparation.

## 2 Year Medical Classroom Courses

### ELIGIBILITY
Class XI - Studying Students or (Students Studying in class X and moving to class XI)

### COURSE NAME
Two Year Integrated Classroom Course for NEET & AIIMS

### COURSE DURATION
- Batch Starting On: April – May 2020  
- Batch Ending On: February, 1st Week 2022

### FREQUENCY OF CLASSES
- 4-5 days a week for weekdays
- 1 day a week for weekends

### TYPE OF TESTS
- Term Exams
- Subjective Tests

### COURSE DESCRIPTION
Students in this course will be thoroughly prepared for School / Board Exam, NEET & AIIMS as well as other Medical Entrance Exams. This course is divided into two years (sessions).

### COURSE HIGHLIGHTS
Regular tests will be conducted on school as well as entrance exams pattern. The result of each test shall be displayed on Centre Notice Board and sent to the parents through SMS. Relevant study material will be provided in Physics, Chemistry, Botany & Zoology.

### ADDITIONAL BENEFITS
- Aptitude & Logical Thinking - A pool of mental ability questions for AIIMS & JIPMER
- Model Test Papers, Home Assignments & Online Test Series
- Special accessories for preparation of KVPY & HBCSE-Olympiads.
**ELIGIBILITY**
Class XII - Studying Students or [Students studying in Class XI & moving to Class XII]

**COURSE NAME**
XII cum Medical Course for NEET & AIIMS

**COURSE DURATION**
- Batch Starting On : April – May 2020   •  Batch Ending On : February, 1st Week 2021

**FREQUENCY OF CLASSES**
- 4-5 days a week for weekdays   •  1 day a week for weekends

**TYPE OF TESTS**
- Monthly Tests   •  Term Exams   •  Subjective Tests

**COURSE DESCRIPTION**
- Students will be thoroughly prepared for Class XII Board Exam as well as Medical Entrance Exams.
- Class XII Syllabus will be completed by October, 2020 and Class XI revision will be done from November, 2020 to 4th February 2021.
- Students will be given some extra tests in December, 2020.

**COURSE HIGHLIGHTS**
- Regular tests will be conducted on school / Medical Entrance Exams pattern.
- The result of each test shall be displayed on Center Notice Board and also sent to the parents through SMS.
- Relevant study material will be provided in Physics, Chemistry, Botany & Zoology.

**ADDITIONAL BENEFITS**
- Aptitude & Logical Thinking - A pool of mental ability questions for AIIMS & JIPMER aspirants.
- Model Test Papers, Home Assignments & Online Test Series - Special accessories for preparation of KVPY & HBCSE-Olympiads.
ELIGIBILITY
Class XII - Passed Students (Dropper/Repeater Batches)
